### The Art of Critical Decision Making

Critical making refers to the hands-on productive activities that link digital technologies to society. It was invented to bridge the gap between creative physical and conceptual exploration. The purpose of critical making resides in the learning extracted from the process of making rather than the experience derived from the finished output. The term "critical making" was popularized by Matt Ratto, an Associate Professor at the University of Toronto. Ratto describes one of the main goals of cri
