About this book: The Globalization of Discovery is the first book to provide a comprehensive overview of the law and practice concerning 28 U.S.C. § 1782 ("Section 1782"). Dispute resolution is ultimately a quest for curiosity and discovery. However, many jurisdictions do not afford an adequate level of discovery—the process of obtaining information to prepare for trial.

This chapter examines how the law influences nursing. It begins by highlighting that the Nursing and Midwifery Council's Code, which sets out the standard for professional practice, is under- pinned by the law. The chapter then defines the term 'law' and considers how laws are made by looking at the role of Parliament and the courts.
